DETAILED ACTION

Specification

1. The disclosure is objected to because of the following informalities:

a. On page 18, lines 11-16, the use of the term "second highest symbol rate of the symbol rates" should be clarified.

Appropriate correction is required.

Claim Objections

- 2. Claim 2, line 1 is objected to because of the following informalities: the use of the term "top" is unclear. Appropriate correction is required.
- 3. Claim 4, line 2, recites the limitation "the first spreading code" in claim 1. It is suggested that the term "the" be changed to "a". There is insufficient antecedent basis for this limitation in the claim.

Allowable Subject Matter

- 4. Claims 1,3-6,8-10 are allowed.
- 5. Claims 2 and 4 would be allowable if rewritten to overcome the objection(s) set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

This application is in condition for allowance except for the following formal matters:

Art Unit: 2634

Claims 2 and 4 would be allowable if rewritten to overcome the objection(s) set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Linda Wong whose telephone number is 571-272-6044. The examiner can normally be reached on 9-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen Chin can be reached on (571) 272-3056. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
